OFFICE OF THE CHAIRMAN,

Dated. 30th. Decr. 1954..

SIR,

Subject: Local Indent No.14502 - Supply of batteries
received from Electro Chemical works, Bangalore.

I write to state that during the month of September 1954, orders were placed with Mysore Electro Chemical Works, Bangalore, for supply of the marginally** noted batteries required for Trust Board lorries, after calling for quotations among the approved firms.

M.E.C. Batteries:
12 volts (Truck type) 11 plates, | The rates quoted by Messrs. Electro
6 volts (Truck type) 17 plates. | Chemical Works, Bangalore, were the
----- lowest among the approved firms

and hence orders were placed with the firm. The firm in question has supplied 12 volts -11 plates battery at Rs.90-15-0 and 6 volts-17 plates battery at Rs.63-9-0.

In the copy of rate contract later received by this office, it was seen that the Stores Purchase Committee have approved the supply of Messrs. Electro Chemical Works, Bangalore, only in respect of 6 volts-18 plates, 6 volts-15 plates and 6 volts-21 plates batteries and not in respect of batteries for which orders were placed by this office. The rate of 12 volts and 11 plates battery (Rs.90-15-0) at which supply is made by the firm is lower by Rs.8-1-0 than the lowest accepted rate by the S.P.C. and the rate quoted by the firm for 6 volts-17 plates battery exceeds the rate quoted by the accepted firm only by NINE ANNAS which is negligible. The total transactions made with the firm is on the whole advantageous to the Department.

I append herewith a statement showing the rates at which supply is received from the firm and the rates accepted by the S.P.C. for

P.T.O.

kind reference. As the order was placed with the firm in view of the urgency and in the absence of definite rate contract, the Stores Purchase Committee was requested to approve the purchase as a special case. The Secretary, Stores Purchase Committee in his letter No.SPC.64968 dated 18-12-1954 (Copy enclosed) intimates that as the purchase was made ~~at~~ outside the rate contract, sanction of Government may be obtained for the purchase.

I therefore request that in the circumstances, stated above, and also as the firm is pressing for settlement of their bill, ^{may kindly} the purchase made/be approved as a special case and sanction communicated at a very early date.

Comparative statement showing the rates at which the supply of batteries is obtained from Messrs. Mysore Electro Chemical Works, Bangalore, and the rates approved by the S.P.C.
